Dear Ms. Clemons and Mr. Matley:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 16 to the Rural non-Metropolitan Planning Organization area portion of the California 2017 Federal Statewide Transportation Improvement Program (FSTIP). This modification increases the programming capacity in the amount of \$2.368 million that relies on the State's programming capacity. The financial plan will be updated to reflect this change in the next FSTIP amendment.

Administrative Modification #16 modifies the programming of the following grouped project listings in various counties:

Proj #1: CTIPS ID 230-0000-0067, Grouped Projects for Bridge Rehabilitation and Reconstruction – State Highway Operation and Protection Program (SHOPP) Bridge Preservation Program – increases the total funding by \$2.156 million in Federal Fiscal Years (FFY) 16/17 and 17/18 consistent with the approved SHOPP Amendment 16H-017 and CTC Resolution FP-17-01. This also revises the detailed backup listing of projects.

Proj #2: CTIPS ID 230-0000-0134, Grouped Projects for Safety Improvements – SHOPP Mandates – increases the total funding by \$212,000 in FFY 17/18 consistent with approved CTC Resolution FP-17-01. This also revises the detailed backup listing of projects.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2017 FSTIP. Please note that the approval of this modification does not constitute an eligibility determination of projects for federal funding.

Mr. Vincent P. Mammano/Mr. Leslie T. Rogers
